(f) In determining grants under this section, a school corporation may qualify for the following **two (2) grants** each year:

(2) One (1) grant under subsection (k), (l), or (m).

A school corporation's grant under subdivision (1) is the sum of the grants separately calculated for each school in the school corporation under subsection (h), (i), or (j). A school corporation's grant under subdivision (2) is the sum of the grants separately calculated for each school in the school corporation under subsection (k), (l), or (m).

(g) The sum of the **two (2)** grant amounts **described in subsection (f), as** determined for a school corporation under this section

1 constitutes an annual performance grant that is in addition to state
 2 tuition support. The annual performance grant for a state fiscal year
 3 shall be distributed to the school corporation before December 5 of that
 4 state fiscal year. **If the total amount to be distributed as**
 5 **performance grants for a particular state fiscal year exceeds the**
 6 **amount appropriated by the general assembly for performance**
 7 **grants for that state fiscal year, the total amount to be distributed**
 8 **as performance grants to school corporations shall be**
 9 **proportionately reduced so that the total reduction equals the**
 10 **amount of the excess. The amount of the reduction for a particular**
 11 **school corporation is equal to the total amount of the excess**
 12 **multiplied by a fraction. The numerator of the fraction is the**
 13 **amount of the performance grant that the school corporation**
 14 **would have received if a reduction were not made under this**
 15 **section. The denominator of the fraction is the total amount that**
 16 **would be distributed as performance grants to all school**
 17 **corporations if a reduction were not made under this section. The**
 18 **performance grant received by a school corporation may shall be**
 19 **allocated among and** used only to pay cash ~~awards~~ **stipends to all**
 20 **teachers who are rated as effective or as highly effective. The amount**
 21 **of the distribution from an annual performance grant to an**
 22 **individual teacher is determined at the discretion of the governing**
 23 **body of the school corporation. The governing body may**
 24 **differentiate between the amount of the stipend awarded to a**
 25 **teacher rated as a highly effective teacher and a teacher rated as**
 26 **an effective teacher. A stipend to an individual teacher in a**
 27 **particular year is not subject to collective bargaining and is in**
 28 **addition to the minimum salary or increases in salary set under**
 29 **IC 20-28-9-1.5. In addition, fifty percent (50%) of the amount of a**
 30 **stipend to an individual teacher in a particular state fiscal year**
 31 **beginning after June 30, 2015, becomes a permanent part of and**
 32 **increases the base salary of the teacher receiving the stipend for**
 33 **school years beginning after the state fiscal year in which the**
 34 **stipend is received. The addition to base salary under this section**
 35 **is not subject to collective bargaining and is in addition to the**
 36 **minimum salary and increases in salary set under IC 20-28-9-1.5.**
 37 **The school corporation shall distribute all stipends from a**
 38 **performance grant to individual teachers before December 31 of**
 39 **the state fiscal year in which the performance grant is distributed**
 40 **to the school corporation. Any part of the performance grant not**
 41 **distributed as stipends to teachers before December 31 must be**
 42 **returned to the department on the earlier of the date set by the**

department or June 30 of that state fiscal year.

(h) A school qualifies for a grant under this subsection if the school has more than seventy-two and five-tenths percent (72.5%) but less than ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

(1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by

(2) twenty-three dollars and fifty cents (\$23.50).

(i) A school qualifies for a grant under this subsection if the school has at least ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

A school qualifies for a grant under this subsection if the school's school year over school year percentage growth rate of achievement tests receiving passing scores was at least five percent (5%), comparing the school year ending in the immediately preceding state fiscal year to the school year immediately preceding that school year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who had a passing score on their achievement test in the school year ending in the immediately preceding state fiscal year; multiplied by

A school qualifies for a grant under this subsection if the school's school year over school year percentage growth in its graduation rate is at least five percent (5%), comparing the graduation rate for the school year ending in the immediately preceding state fiscal year to the graduation rate for the school year immediately preceding that school year. The grant amount for the state fiscal year is:

- (1) the count of the school corporation's pupils who met the requirements for graduation in the school year ending in the immediately preceding state fiscal year; multiplied by
